# GOLF

*Cumberwell Park*

## Welcome to Cumberwell Park

Cumberwell Park is family run and everyone is assured of a warm welcome. Within this elegant, tranquil setting you will find a venue that provides the ideal location for an enjoyable golfing experience. Since opening in 1994 Cumberwell Park is now established as one of the best courses in the South West and has been awarded four stars in Golf World's Top Courses in Britain. The Club has also received a safe golf accreditation from England Golf and is only one of ten England Golf regional performance centres. Members, visitors and societies are welcome.

# PAR 3 COURSE

The 9 holes vary in distance from 80 - 190 yards. Each hole is built to the same high specification as the main 36-holes, including USGA based greens. Ideal for a quicker round, shots can be played from three different tee positions providing a variety of play.

The spectacular island green 8th hole, seen when entering Cumberwell Park is the signature hole of the course. Alongside the island green the course also features other classic green designs with a Fortress green at the 1st, Amphitheatre at the 2nd, Biarritz at the 4th and Redan at the 9th.

# OUR COURSES

Designed by Adrian Stiff, the 36 holes provide different challenges for golfers of every ability. The courses encompass a wonderful blend of rolling countryside, lakes, streams, natural copse and woodland. There are four 9-hole courses which starting and finishing at the clubhouse, providing flexibility.

All greens have been constructed and maintained to the highest specification, and tees are built with a sandbased root zone mix. The team of dedicated green staff take tremendous pride in their work and this is reflected in the course presentation.

Red 1-9

Yellow 10-18

Blue 19-27

Orange 28-36

# PRACTICE FACILITIES

## Short Game Area

The short game area is one of the best facilities in the South West of England, surrounded by bunkers and numerous humps and hollows. There are specially designed teeing areas, allowing all aspects of your short game to be mastered.

A 10-acre practice range includes target greens and yardage markers. The driving range has ten indoor and outdoor bays including a teaching room offering the very latest software in video swing analysis.

There are two putting greens adjacent to the clubhouse, built to the same standard as the greens on the championship course.
